Sommario/riassunto	Conservatism in the Black Community examines the contemporary meanings of Black Conservatism and its influence on black political behavior, providing a basis for understanding the impact this phenomenon has on black political behavior. Lewis analyzes conservatism within the black ideological framework, while also explaining the meaning of conservatism in the black community. While scholars have argued that the level of support for conservatism among blacks is minimal because conservatism is antithetical to black interest, there are a cadre of conservative political in
