Sommario/riassunto

One of the most significant events in European politics the past two decades is the emergence of radical right-wing parties, mobilizing against immigration and multiethnic societies. Such parties have established themselves in a large number of countries, often with voter shares exceeding ten and sometimes even twenty percent. Many of these parties exert a real influence on the policy within respective country. The emergence of the recent wave of radical right-wing party politics has generated a large and growing literature, spanning a variety of dimensions-such as ideology, voting, a
