Sommario/riassunto	Metaphor and Fields is an explanation and demonstration of the value of metaphoric processes and fields in psychoanalysis. In this book, Montana Katz articulates a future direction for psychoanalysis which is

progressively explored, taking into account features essential to psychoanalysts of all persuasions, clinically and theoretically. In this way, psychoanalysis is brought into the postmodern future by fashioning an umbrella for the discipline. With this umbrella, the barriers to mutual understanding may be dismantled and a path permanently forged to the possibility of me

Sommario/riassunto	This book was first published as a two-part essay in 1965 and 1967 in ABBIA n Cameroon Cultural Review n under the title ildea of Culturei. Its main argument is that indigenous Africans cultures must be the foundation on which the modern African cultural structure should be

raised; the soil into which the new seed should be sown; the stem into which the new scion should be grafted; the sap that should enliven the entire organism. This culture, the object of imperialist mockery and rejected, needs rehabilitation. However, such rehabilitation of African culture cannot be a mere archaeological en
