Sommario/riassunto	This reissue, first published in 1969 brings together structural and analytical studies of seven single African countries, together with two studies of groups of countries which, although politically separate, have in the past had close economic links. These countries are Algeria, Cameroon, Ghana, Ivory Coast, Liberia, Nigeria and the Sudan. The groups are East Africa, comprising Kenya, Uganda and Tanzania; and Central Africa, comprising Rhodesia, Malawi and Zambia.The countries have been chosen to bring out the main contemporary economic issues arising in the efforts of the independ
