Sommario/riassunto	Ask any trainee teacher, or indeed experienced teacher, which aspect of teaching concerns them most and they will probably say ""getting pupils to behave."" This book looks at the relationships between teachers and pupils in the classroom. It explores ways of using the ideas in Transactional Analysis to create win-win situations in the classroom, making a more pleasant and productive atmosphere for all concerned. It offers teachers practical examples of how to model behavior, structure time, use contracts and praise pupils in order to avoid or resolve conflict quickly and fairly so tha
