Sommario/riassunto	The place of religion in the modern world has changed significantly over the past two decades. This has been partially reflected in the academic study of religion, but little, if at all, in religious education. In addition, the place of RE in schools has been the subject of intense debate due to changes to the curriculum and school structure, as well as being part of wider debates on religion in the public sphere.Written by two highly experienced leading practitioners of RE, Does Religious

Education have a Future? argues for a radical reform of the subject
based on principle
