Conclusion: Through the Characters to the Themes and Issues -- Guide to Further Reading -- Bibliography -- Index.
Sommario/riassunto	"This book provides an introductory study of Beckett's most famous play, dealing not just with the four main characters but with the pairings that they form, and the implications of these pairings for the very idea of character in the play. After locating Godot within the context of Beckett's work, Lawley discusses some of the play's puzzles and difficulties-including the absent 'fifth character', Godot himself."-- Bloomsbury Publishing.
