Sommario/riassunto	Identifying, illuminating and enhancing understanding of key aspects of women and girls' faith lives, this book represents a significant body of original qualitative research from practitioners and researchers across the UK. Contributors include new and upcoming researchers as well as more established feminist practical theologians. Chapters provide perspectives on different ages and stages of faith across the life cycle, from a range of different cultural and religious contexts. As well as being of interest to researchers, this book presents resources to enhance ministry to and with women and
