Sommario/riassunto	The Rapids are a series of reference and revision pocket books that cover key facts in a simple and memorable way. Each book contains the common conditions that students and newly qualified nurses encounter on the wards, in the community, and on placements. Only the basic core relevant facts are provided to ensure that these books are perfect and concise rapid refreshers. Rapid Infection Control Nursing is an essential read for all frontline nursing staff working in hospitals or community settings. Designed for quick reference, it explores the essential principles of infection
