Sommario/riassunto	This definitive sourcebook presents more than sixty authoritative new translations of key Islamic texts. Edited and translated by three leading specialists, Classical Islam features eight thematically-linked sections covering the Qur'ān and its interpretation, the life of Muhammad, hadīth, law, theology, mysticism and Islamic history. The new edition has been expanded to cover a fuller range of material illustrating the growth of Islamic thought from its seventh-century origins through to the end of the medieval period. It includes illustrations, a glossary, extensive biblio
