Beyond Europe.                                                                                                                                                       |
| Sommario/riassunto      | The volume explores the relationship of artists and intellectuals from ancient Greece to modern times. Special attention is paid to Plato, Augustan poets (including the reception), Soviet art (Mayakowsky) and Jewish intellectuals. Non European contexts (China, Turkey) are treated as well. |
