Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	I. On the road to survival -- II. The evolution of the transference-countertransference- engagement, safety, and erotic phases -- III. Finding a treatment plan.
Sommario/riassunto	Playing Hard at Life brings contemporary relational thinking to bear on the psychodynamic treatment of a notably difficult group of young patients. Working with New York City teenagers who have survived the wars of inner-city life and Israeli teenage soldiers who have survived the wars of the Middle East, author Ety Cohen documents the extraordinary challenges of forming a treatment alliance with these shattered youngsters, of engaging them psychodynamically, and of working toward a viable termination. The result is not only a poignant record of courage and commitment (on the pa
