| Sommario/riassunto | In order to safely navigate Europe's major waterway routes, all boaters need to know CEVNI - the Waterway Code - whose rules, signs, symbols and signals are understood and used by bargemasters and working vessels of all nationalities. This book has been written especially for pleasure craft users, setting out the rules in an easy-to-follow handy pocket-book format. It covers waterway signs, signals, |

flags and lights, markings on vessels, procedures in tunnels, locks and weirs, overtaking rules, berthing, and explains buoyage and landmarks - and for this 3rd edition there is a handy Quick Refer
