Sommario/riassunto	The 'minority' feminist viewpoints have often been submerged in the interests of maintaining a mainstream, universal model of feminism. This anthology takes into account the various differences among women while looking at the important areas of feminist struggle. While sisterhood is indeed global, it certainly does not mean that all women are required to submerge their specific differences and assimilate to a universal model. Consequently, the collection includes essays by leaders in the field of post-structuralist enquiry as well as by those immersed in the new spirituality, and the socia
