Sommario/riassunto	What are men doing in feminist discourse? Although many feminists

have commented on the relation, actual or possible, of men to feminist thinking and practice, and although some male academics have written about feminism, there has so far been little shared discussion. Men in Feminism is the first substantial attempt to produce a dialogue between feminists and their male allies. This lively book, comprised of essays by both men and women, is a controversial sally in the current debate over the future of feminist theory. Its focus is one seemingly direct and yet surprisingly p
