Nance and Michael J. Struett -- Frame, humanitarianism, and legitimacy : explaining the anti-piracy regime in the Gulf of Aden / Kevin McGahan and Terence Lee -- The limit(ation)s of international society? The English school, Somali pirates and the burdens of interpretation / Brent J. Steele.
Sommario/riassunto	Piratical attacks have become more frequent, violent, costly and increasingly threaten to undermine order in the international system. Much attention has focused on Somalia, but piracy is a problem

worldwide. Recent coordination efforts among states in South East Asia appear to have helped in the area, but elsewhere piracy has expanded. Interestingly, international law has long recognized piracy as a crime and provided tools for universal suppression, yet piracy persists. In this book, a handpicked group of leading experts in the field of International Relations use maritime p
