Sommario/riassunto	Working with two- and three-year-olds is an important job, one that will influence children's lifelong learning. With strategies to plan a developmentally appropriate program, build positive relationships with young children, and support young children's learning in all areas, Teaching Twos and Threes is a classroom essential. What's more, it's packed with creative activity ideas! It will help you Reflect on your teaching practices as you plan a developmentally appropriate program that is stimulating and authentic for all twos and threes Foster children's independence in an environment that is
