What are the barriers and promoters of creativity : school strategies and classroom tactics / Steve Padget. |
| Sommario/riassunto | What do we mean by creativity? What is the link between creativity and critical thinking? How can creativity and critical thinking be incorporated into classroom practice and what are the benefits for students? Creativity and critical thinking are central to effective teaching and learning and have a significant impact on students' attainment, engagement, attendance and behaviour. This book draws on recent research and policy to provide teachers with a clear framework for understanding creativity and critical thinking and practically demonstrates how they can be incorporated into clas |

| Sommario/riassunto | Burgas regularly tops the list of best places to live in Bulgaria. Whether enjoying a walk through the resplendent Sea Garden, relaxing on the beautiful central city beach, or enjoying a drink and fresh grilled fish at one of the many outdoor bars and restaurants, it is easy to see why tourists like it so much. A key challenge for the city, however, is to extend this good feeling to the off-season, when tourists are few, the economy is less animated, and the central area is almost comatose after dark. The city aims to deliver this transformation with its smart city agenda. |
