Sommario/riassunto An account focusing on the encounters between the Maori and Pakeha-

or European settlers-and the process of mutual discovery from 1642 to around 1840, this New Zealand history book argues that both groups inhabited a middle ground in which neither could dictate the political, economic, or cultural rules of engagement. By looking at economic, religious, political, and sexual encounters, it offers a strikingly different picture to traditional accounts of imperial Pakeha power over a static,

resistant Maori society. With fresh insights, this book ex
