The Hiss Labyrinth: Six Profiles; Appendix: "Forgery by Typewriter": The Pursuit of Conspiracy, 1948-1997; Notes; Bibliography; About the Author; Index; Credits for photographs
Sommario/riassunto	When the Hiss-Chambers case first burst on the scene in 1948, its main characters and events seemed more appropriate to spy fiction

than to American reality. The major historical authority on the case, *Perjury* was first published in 1978. Now, in its latest edition, *Perjury* links together the old and new evidence, much of it previously undiscovered or unavailable, bringing the Hiss-Chambers's amazing story up to the present.
