Note generali	Title from publisher's bibliographic system (viewed on 05 Oct 2015).
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction -- 1 Austin's distinctions revisited -- 2 Intentional states and locutionary acts -- 3 Constative speech acts -- 4 Directive speech acts -- 5 Speech acts, autism spectrum disorders and typical development -- 6 Commissive speech acts -- Conclusion.
Sommario/riassunto	Most of the time our utterances are automatically interpreted as speech acts: as assertions, conjectures and testimonies; as orders, requests and pleas; as threats, offers and promises. Surprisingly, the cognitive correlates of this essential component of human communication have received little attention. This book fills the gap by providing a model of the psychological processes involved in interpreting and understanding

speech acts. The theory is framed in naturalistic terms and is supported by data on language development and on autism spectrum disorders. Mikhail Kissine does not presuppose any specific background and addresses a crucial pragmatic phenomenon from an interdisciplinary perspective. This is a valuable resource for academic researchers and graduate and undergraduate students in pragmatics, semantics, cognitive linguistics, psycholinguistics and philosophy of language.

2. Record Nr.	UNINA9910466365503321
Titolo	Canadian annual review of politics and public affairs 1990 // edited by David Leyton-Brown

Sommario/riassunto

It happened in 1990: the Meech Lake Accord collapsed; the GST entered our lexicon and threatened to invade our wallets; the Oka stand-off pushed the crisis in native affairs into the spotlight. Featuring essays on Parliament and politics, Ottawa and the provinces, and external affairs and defence, the Canadian Annual Review of Politics and Public Affairs provides a comprehensive account of the year's events. The Canadian Annual Review has long been praised for its excellence. Known for its accuracy, readability, and insight, it offers a synoptic appraisal of the year's crises, controversies, and developments from both federal and provincial perspectives.
