| Sommario/riassunto      | Russian influence in Central Asia is waning. Since attaining independence, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan have forged their own paths-building relationships with outside powers and throwing off the last vestiges of Soviet domination. But in many ways, Moscow still sees Central Asia through the lens of   |

the Soviet Union, and it struggles to redefine Russian relations with the region. Alexey Malashenko offers a comprehensive analysis of Russian policies and prospects in Central Asia. It is clear that Russian policy in the former Soviet space is enteri
