Sommario/riassunto	Russian influence in Central Asia is waning. Since attaining independence, Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, and Uzbekistan have forged their own paths-building relationships with outside powers and throwing off the last vestiges of Soviet domination. But in many ways, Moscow still sees Central Asia through the lens of

the Soviet Union, and it struggles to redefine Russian relations with the region. Alexey Malashenko offers a comprehensive analysis of Russian policies and prospects in Central Asia. It is clear that Russian policy in the former Soviet space is enteri
