Sommario/riassunto	This new edition of Surgery at a Glance provides a concise and visually-orientated summary of a comprehensive lecture course in surgery. Following the easy-to-use at a Glance format, each topic is presented with clear illustrations and key facts encapsulating all that you need to know. The book is coherently divided into clinical presentations followed by major surgical conditions. Exploring core principals and important diseases, it is an accessible companion to any surgery core text, and is ideally placed to support the current curriculum. Surgery at a Glance<
