Traitorous Constructions of Motherhood in "Outsmart Mother Nature with Tampax" Campaign
17 Taking the Audience Perspective: Online Fan Commentary about the Brides of Mad Men and Their Weddings Index; Contributors; About the Editor

Sommario/riassunto

Media Depictions of Brides, Wives, and Mothers, edited by Alena Amato Ruggerio, explores how television, film, the internet, and other media variously perpetuate gender stereotypes. The contributors to this volume bring a variety of feminist rhetorical and media criticism approaches from across the communication discipline to their analyses of how media shape our expectations of the performance of women's domestic roles.
