Sommario/riassunto	Examining the development of a sense of national identity in a British colony, this highly authoritative work is a valuable addition to the literature in New Zealand. By looking at the onset of home-grown shipping, railway, and telegraph networks as well as at the Maori and kiwi experiences, not to mention the emergence of rugby teams, this book accounts for how transplanted Britons, and others, turned themselves into New Zealanders-a distinct group of people with their own songs and sports, symbols and opinions, political traditions, and sense
