Sommario/riassunto	The Situational Judgement Test at a Glance provides a sound introduction to the SJT and details ways you can prepare before the assessment. It includes worked case examples based on real-life scenarios which have been reviewed by experienced clinicians and examiners. The book draws out key aspects of professional practice relevant to the role of a junior doctor. This is based on the nine domains as outlined by the ISFP (Improving Selection to Foundation Programme), who detailed the behaviours necessary to be a competent Foundation Doctor.
