Sommario/riassunto

A proven framework for whole-school improvement The School Leadership Playbook is a practical guide for education leaders looking to push their school's and students' achievement to the next level. Developed by renowned leadership preparation program New Leaders, the Transformational Leadership Framework focuses on the five categories that drive a school's success: Learning and Teaching, School Culture, Talent Management, Operations and Systems, and Personal Leadership. This book illustrates how each of these factors contributes to breakthrough gains, and outlines a plan for implementing chan
