Sommario/riassunto In the summer of 1881, Robert Justus Kleberg rode across the hot, dusty South Texas brush country to the palatial home of Capt. Richard King to consult with the cattle baron about attending to his legal affairs. On that same journey, the young lawyer also first laid eyes on Alice King. "Princess of the Wild Horse Desert." Neither of their lives would ever be the same. Published for the first time in this book, the

love letters written by Kleberg to Alice Gertrudis King provide a glimpse

of the lives of two of the most influential people in Texas history. Editors Jane Clements Mon
