Sommario/riassunto	In this collection of bold and wide-ranging essays, Fouad Ajami offers his views on the Middle East, commenting on the state of affairs in Iraq, Iran, Syria, Egypt and more. He brings into focus the current struggles of the region through detailed historical standpoints and a highly personal perspective. The author discusses such landmark past events as the Algerian civil war, the state of the Arab world shortly after 9/11, and the pan-Arab awakening that began in 2011, as well as current events such as the Syrian rebellion and the repercussions of its brutal response from Bashar al-Assad. Sommario/riassunto

This book contributes to the understanding of Dionysos, the Greek god of wine, dancing, theatre and ecstasy, by putting together 30 studies of classical scholars. They combine the analysis of specific instances of particular dimensions of the god in cult, myth, literature and iconography, with general visions of Dionysos in antiquity and modern times. Only from the combination of different perspectives can we grasp the complex personality of Dionysos, and the forms of his presence in different cults, literary genres, and artistic forms, from Mycenaean times to late antiquity. The ways in which Dionysos was experienced may vary in each author, each cult, and each genre in which this god is involved. Therefore, instead of offering a new all-encompassing theory that would immediately become partial, the book narrows the focus on specific aspects of the god. Redefinition does not mean finding (again) the essence of the god, but obtaining a more nuanced knowledge of the ways he was experienced and conceived in antiquity.
