Sommario/riassunto	Although the origins, application, and socio-historical implications of

the Jim Crow system have been studied and debated for at least the last three-quarters of a century, nuanced understanding of this complex cultural construct is still evolving, according to Stephanie Cole and Natalie J. Ring, coeditors of *The Folly of Jim Crow: Rethinking the Segregated South*. Indeed, they suggest, scholars may profit from a careful examination of previous assumptions and conclusions along the lines suggested by the studies in this important new collection. Based on the March 20
