Sommario/riassunto	Over the past decade, countries have increasingly used settlements-that is, any procedure short of a full trial-to conclude foreign bribery cases and have imposed billions in monetary sanctions. There exists a gap in knowledge, however, regarding settlement practices around the world and the disposition of these monetary sanctions-notably through the lens of recovery of stolen assets. Left out of the Bargain, a study by the Stolen Asset Recovery Initiative (StAR), provides an overview of settlement practices by civil and common law countries that have been active in the fight against foreign b
