Sommario/riassunto	Where and what is Ireland? What are the identities of the people of Ireland? How has European Union membership shaped Irish people's lives and interests? And how global is local Ireland? This book argues that such questions can be answered only by understanding everyday aspects of Irish culture and identity. Please note that images or diagrams have been excluded from this text due to copyright restrictions.

Sommario/riassunto	This volume represents the first work published in English dealing with the historical grammar of Romanian from a modern theoretical perspective. It consists of a selection of papers focusing on the historical grammar of Romanian, bringing together diverse theoretical approaches in order to address a number of key morphological and syntactic issues in the history of the morphosyntactic development of Romanian. The majority of papers in this volume deal with topics in Romanian historical synta...
