Descrizione fisica	1 online resource (329 p.)
Disciplina	303.48/40973
Soggetti	Occupy movement - United States Protest movements - United States - History Political participation - United States - History Income distribution - United States Equality - United States Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Machine generated contents note: -- Introduction: Enter the 99 Percent -- Chapter 1. Occupy before Occupy -- Chapter 2. Organizing for Occupation -- Chapter 3. Taking Liberty Square -- Chapter 4. Crossing Brooklyn Bridge -- Chapter 5. Escalation to Eviction -- Chapter 6. The Occupiers in Exile -- Chapter 7. Otherwise Occupied -- Chapter 8. Spring Forward, Fall Back -- Conclusion: Between Past and Future -- Notes -- References -- Index.
Sommario/riassunto	"Occupy Wall Street burst onto the stage of history in the fall of 2011. First by the tens, then by the tens of thousands, protestors filled the streets and laid claim to the squares of nearly 1,500 towns and cities, until, one by one, the occupations were forcibly evicted. In <i>The Occupiers</i> , Michael Gould-Wartofsky offers a front-seat view of the action in the streets of New York City and beyond. Painting a vivid picture of everyday life in the square through the use of material gathered in the course of two years of on-the-ground investigation, Gould-Wartofsky traces the occupation of Zuccotti Park--and some of

its counterparts across the United States and around the world--from inception to eviction. He takes up the challenges the occupiers faced, the paradoxes of direct democracy, and the dynamics of direct action and police action and explores the ways in which occupied squares became focal points for an emerging opposition to the politics of austerity, restricted democracy, and the power of corporate America. Much of the discussion of the Occupy phenomenon has treated it as if it lived and died in Zuccotti Park, but Gould-Wartofsky follows the evicted occupiers into exile and charts their evolving strategies, tactics, and tensions as they seek to resist, regroup, and reoccupy. Displaced from public spaces and news headlines, the 99 Percent movement has spread out from the financial centers and across an America still struggling to recover in the aftermath of the crisis. Even if the movement fails to achieve radical reform, Gould-Wartofsky maintains, its offshoots may well accelerate the pace of change in the United States in the years to come"--

2. Record Nr.	UNINA9910557382903321
Autore	Chen Liam
Titolo	Molecular Advances in Diagnosis and Treatment of CNS Tumors
Pubbl/distr/stampa	Frontiers Media SA, 2020
Descrizione fisica	1 online resource (283 p.)
Soggetti	Medicine and Nursing Oncology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This eBook is a collection of articles from a Frontiers Research Topic. Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series: they are collections of at least ten articles, all centered on a particular subject. With their unique mix of varied contributions

from Original Research to Review Articles, Frontiers Research Topics unify the most influential researchers, the latest key findings and historical advances in a hot research area! Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office: frontiersin.org/about/contact
