Sommario/riassunto

""Fast Facts for the School Nurse is a virtual compendium of situations that school nurses encounter in their practice. It will direct school nurses to the answers for many questions and to wiser counsel when a dilemma seems unsolvable. It is authored by a school nurse of publically acclaimed distinction who brings a lifetime of experience to these pages."" - Lucille A. Joel, EdD, RN, FAAN. Professor, College of Nursing. Rutgers, The State University of New Jersey. Newark, New Jersey. This is a concise reference providing quick access to information busy school nurses use every day to perform
