Sommario/riassunto	This book addresses the historical and contemporary involvement of Chinese Americans from diverse walks of life in U.S.-China relations. The contributors present new evidence and fresh perspectives on familiar and unfamiliar national and transnational networks - including families, businesspersons, community newspapers, students, lobbyists, philanthropists, and scientists - and consider the likely future impact of such contacts on the most important bilateral relationship at the start of the new millennium. The volume makes a multidisciplinary contribution to understanding the extensive and vi
