Nota di contenuto	Front matter -- INTRODUCTION -- Title page -- Dramatis Personae -- ACTUS PRIMUS -- ACTUS SECUNDUS -- ACTUS TERTIUS -- ACTUS QUARTUS -- ACTUS QUINTUS -- APPENDIX
Sommario/riassunto	The Changeling is a powerful psychological tragedy of the moral degeneration of a highborn Spanish girl through a crime prompted by obsessive love. Thomas Middleton was probably responsible for the tragic plot, and William Rowley for the comic subplot concerning the antics of a young rake who contrives to have himself committed to an insane asylum for love of the proprietor's handsome wife.
