Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. 1. Anthropology and some of its companions -- pt. 2. Sociology's increasingly uneasy relations with anthropology.
Sommario/riassunto	In American Anthropology and Company, linguist and sociologist Stephen O. Murray explores the connections between anthropology, linguistics, sociology, psychology, and history, in broad-ranging essays on the history of anthropology and allied disciplines. On subjects ranging from Native American linguistics to the pitfalls of American, Latin American, and East Asian fieldwork, among other topics, American Anthropology and Company presents the views of a historian of anthropology interested in the theoretical and institutional connections between disciplines that have always be
