Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Historical discourse -- Education in the Quran -- Curriculum as instruction in the Quran -- Political curriculum in the Quran -- Race and gender curriculum in the Quran -- Institutionalized curriculum.
Sommario/riassunto	Education and Curricular Perspectives in the Qur'an focuses on different perspectives of curriculum as presented in the central text of Islam. Relying heavily on the Qur'an itself, and sayings of the Prophet Mohammed when necessary, Risha addresses five aspects in particular to examine how the Qur'an connects to current academic curriculum studies.
