Sommario/riassunto

""Looking North, Looking South"" brings together the works of leading

China, Taiwan, and Pacific politics specialists analysing a topic of growing importance: China and Taiwan's ever-growing involvement in the South Pacific. There is no doubt that China is on the rise in Asia, Africa, South America, the Caribbeans, and even the Antarctica and the Arctic, this rise can be partly attributed to China's activities in the South Pacific. This book will pinpoint China's involvement in the South Pacific within the context of China's wider foreign policy and the challenges it poses to the traditional d
