Sommario/riassunto

Until his death in 1877, Brigham Young guided the religious, economic, and political life of the Mormon community, whose settlements spread throughout the West and provoked a profound political, legal, and even military confrontation with the American nation. Young first met Thomas L. Kane on the plains of western Iowa in 1846. Young came to rely on Kane, 21 years his junior, as his most trusted outside adviser, making Kane the most important non-Mormon in the history of the Church. In return, no one influenced the direction of Kane's life more than Young. The letters exchanged by the two offe

Sommario/riassunto	Covering the five centuries from Shakespeare's Bankside playhouses to today's West End, Paul Ibell's Theatreland explores the history and current state of the London stage, taking the reader through the streets and alleyways of the theatre capital of the world. . London's theatre

district is quite literally built on the past. Although the book celebrates this, and the artistic achievements that still resonate today, it also emphasises that theatre is an art form that can only survive and flourish through fresh talent, new work and constant reinterpretation of old classics. . Through a series
