Sommario/riassunto	This book provides the most up-to-date and comprehensive survey of the genre of ""Tang"" tales in English, including discussions of the numerous Chinese studies from the last decade. ""Tang Tales"" itself contains the first annotated translations of these famous stories, which are deciphered and interpreted specifically for students and scholars interested in the medieval Chinese literature. Following the model of intertextual readings employed by Glen Dudbridge in ""The Tale of Li Wa"" (Oxford, 1983), the annotation points to the resonances to the classical texts; the translator's notes follo
