Sommario/riassunto	Helping a mother transcend the death of her only child, helping a young child understand and cope with the death of a loved one, and helping survivors of the AIDS epidemic cope with the loss of numerous loved ones and the loss of community are among the greatest

challenges facing today's bereavement counselors. Bereavement explores these sensitive issues and ways bereavement counselors can help these individuals construct new identities and new worldviews that are self-affirming. Using this book as a guide, you can improve your understanding of the various resources and options that can be emp
