Sommario/riassunto	Promote effective partnerships between men and women to end domestic violence! Men's Work in Preventing Violence Against Women examines the experiences of 12 practicing counselors who call on their religious training to form partnerships between men and women that promote an end to domestic violence. In both religious and secular settings, the bulk of the work done to end violence against women is

done by women?survivors who have become activists and advocates who have been touched by the witness of survivors. Motivating and educating men to share the everyday work of domestic violence
