Sommario/riassunto	The fourth volume of ""Aspects of the Orange Revolution"" continues

the previous volume's discussion on the impact of foreign actors on Ukrainian politics. It provides both scholarly analyses and first-hand accounts. The collection not only investigates, but also gives voice to, some of those involved in the events of 2004. While most of the volume's contributors have an academic background, some of them report here from the perspective of official election or informal participant observers of the three rounds of the Ukrainian presidential elections. Part One juxtaposes some contrasting views
