Sommario/riassunto	Ukraine's 2004 presidential election was falsified, spurring the Orange Revolution. To many observers, the Orange Revolution was a shock, and the stolen election a recent development. However, both the election fraud and the effort to topple the government of Leonid Kuchma emerged from political dynamics that had appeared in earlier Ukrainian elections. In this path breaking volume, leading scholars place Ukraine's 2004 Orange Revolution in the longer perspective of Ukraine's post-Soviet electoral politics. Covering both presidential and parliamentary elections over the entire post-Soviet perio
