Sommario/riassunto	Banishing Bullying Behavior challenges students, parents, educators, education support professionals, administrators, counselors, and policy makers to confront the culture of cruelty that is devastating our society. This book is filled with insights, personal stories, anecdotal material, and strategies that are directed to the widest audience possible. It urges us to become change agents and empower children to transform their pain, rage, and revenge to empathy, kindness, and healing. Fried and Sosland tackle the demanding questions about physical, verbal, emotional, sexual, cyber, sibling, an
