Sommario/riassunto	This book is a philosophical guide on metaphor use. Previous research concerning metaphors has focused on either the theoretical-linguistic problems or the uses in specific research fields. Although these domains share some common interests, there has been little cross-communication. The aim of this volume is to bridge the gap between the theoretical and the empirical side of the research on metaphor use, by analysing the role of metaphor over different domains of use. Therefore, while adopti...
