Sommario/riassunto	Couples Therapy in Managed Care: Facing the Crisis provides social workers, psychologists, and counselors with an overview of the negative effects of the managed care industry on the quality of mental

health care. Within this book, you will discover the paradoxes that occur with the mixing of business principals and service principles and find valuable suggestions on how you can creatively cope within the managed care context. With Couples Therapy in Managed Care, you will learn how you can remain true to your own integrity and offer quality services within the current context of today's health
