Sommario/riassunto	Vincent van Gogh's life and work are so intertwined that it is hardly possible to observe one without thinking of the other. Van Gogh has indeed become the incarnation of the suffering, misunderstood martyr of modern art, the emblem of the artist as an outsider. An article, published in 1890, gave details about van Gogh's illness. The author of the article saw the painter as "a terrible and demented genius, often sublime, sometimes grotesque, always at the brink of the pathological." Very little is known about Vincent's childhood. At the age of eleven he had to leave "the human nest", as he ca
